

§ 270.270

APPLYING FOR A STANDARDIZED PERMIT

§ 270.270 How do I apply for a standardized permit?

You apply for a standardized permit by following the procedures in 40 CFR part 124, subpart G and this subpart.

§ 270.275 What information must I submit to the permitting agency to support my standardized permit application?

The information in paragraphs (a) through (j) of this section will be the basis of your standardized permit application. You must submit it to the Director when you submit your Notice of Intent under 40 CFR 124.202(b) requesting coverage under a RCRA standardized permit:

(a) The Part A information described in § 270.13.

(b) A meeting summary and other materials required by 40 CFR 124.31.

(c) Documentation of compliance with the location standards of 40 CFR 267.18 and § 270.14(b)(11).

(d) Information that allows the Director to carry out our obligations under other Federal laws required in § 270.3.

(e) Solid waste management unit information required by § 270.14(d).

(f) A certification meeting the requirements of § 270.280, and an audit of the facility's compliance status with 40 CFR part 267 as required by § 270.280.

(g) A closure plan prepared in accordance with part 267, subpart G.

(h) The most recent closure cost estimate for your facility prepared under § 267.142 and a copy of the documentation required to demonstrate financial assurance under § 267.143. For a new facility, you may gather the required documentation 60 days before the initial receipt of hazardous wastes.

(i) If you manage wastes generated off-site, the waste analysis plan.

(j) If you manage waste generated from off-site, documentation showing that the waste generator and the off-site facility are under the same ownership.

§ 270.280 What are the certification requirements?

You must submit a signed certification based on your audit of your fa-

cility's compliance with 40 CFR part 267.

(a) Your certification must read: I certify under penalty of law that:

(1) I have personally examined and am familiar with the report containing the results of an audit conducted of my facility's compliance status with 40 CFR part 267, which supports this certification. Based on my inquiry of those individuals immediately responsible for conducting the audit and preparing the report, I believe that my (include paragraph (a)(1)(i) and (ii) this section, whichever applies):

(i) My existing facility complies with all applicable requirements of 40 CFR part 267 and will continue to comply until the expiration of the permit; or

(ii) My facility has been designed, and will be constructed and operated to comply with all applicable requirements of 40 CFR part 267, and will continue to comply until expiration of the permit.

(2) I will make all information that I am required to maintain at my facility by §§ 270.290 through 277.315 readily available for review by the permitting agency and the public; and,

(3) I will continue to make all information required by §§ 270.290 through 277.315 available until the permit expires. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violation.

(b) You must sign this certification following the requirements of § 270.11(a)(1) through (3).

(c) This certification must be based upon an audit that you conduct of your facility's compliance status with 40 CFR part 267. A written audit report, signed and certified as accurate by the auditor, must be submitted to the Director with the 40 CFR 124.202(b) Notice of Intent.
